

Ackley Financial And Penn Mutual A Better Way Of Life

A better way of life

For more than 20 years, Ackley Financial Group has been the premier financial services organization for the Dallas area. President and owner John W. Ackley, CLU, along with his associates, provides comprehensive financial solutions through financial planning, wealth accumulation strategies, estate planning and employee benefits.

Now, Ackley Financial Group has added even more strength to its organization by joining forces with The Penn Mutual Life Insurance Company, a leading provider of life insurance and annuity products since 1847. As a result, our customers will benefit from the strength of Penn Mutual's more than \$45 billion of life insurance currently in force. In addition, they will gain access to a broad range of investment products and services through Hornor, Townsend & Kent (HTK), Penn Mutual's wholly owned broker-dealer subsidiary.

Now, more than ever, Ackley Financial Group can serve the Dallas community with insurance and financial products designed to provide a better way of life.
